ER-2-2799 9 October 1951

Subject		
REFERENCE	: Memorandum for Project Review Committee from ADPG, same Subject, dated 5 October 1951.	
l. In a	namer to the basic question raised in reference memorandum, ers of this specific type need FRC action, I have determined	
from discussi	ons with that, under ordinary cir-	
cumstances, t	they do not. Item 1 and Item 2 of your memorandum can be actional reference to the FRC since there is no conflict between	
your recommen	dations and the report of the Administrative Services, CIA,	
	ese are normal expenditures	
2. A pr	roject calling for the expenditure of funds such as those remains 3 should be referred to this office for determination as to	
and mad in The	we i should be referred to this office for determination as to	
darren m rec	the metter much so to the ESC. It has been determined by	
whether or no	ot the matter must go to the FRC. It has been determined by	
whether or no ar the amount of	of the matter must go to the PRC. It has been determined by and myself that this item should go to PRC not only because of funds involved, but because of the policy question as to	
whether or no	of the matter must go to the PRC. It has been determined by and myself that this item should go to PRC not only because of funds involved, but because of the policy question as to	
whether or no an the amount of whether we sh	ot the matter must go to the PRC. It has been determined by and myself that this item should go to PRC not only because of funds involved, but because of the policy question as to nould invest	
whether or no an the amount of whether we sh	ot the matter must go to the PRC.
